

## ▼ Stand and Deliver

You're in one of the most beautiful but undeveloped spots in the world. And of course you just have to pee and there is nary a bush in sight! **Whiz**

**Freedom** wants to be the answer to that dilemma: A device to allow

women to pee standing up. This innovative funnel-like device is made of soft flexible plastic to

fit every, uh, size. We're sure you can figure out how to work it. Retail for

\$35.90 at [www.astonixlife.com](http://www.astonixlife.com).
