

Market reopens after facelift

THE market and hawker centre at Block 17, Upper Boon Keng Road, will reopen officially tomorrow, following a \$4.2 million facelift.

Stallholders have been moving back progressively since January. By the end of last month, more than 130 stalls were back in business in the single-storey centre, which can now take more people. It also has an outdoor area for open-air dining, wider passageways and improved toilets.

Members of Parliament for Jalan Besar, Dr Lee Boon Yang, Dr Lily Neo, Mr Heng Chee How and Ms Denise Phua, will attend tomorrow's ceremony.
