

Tekka market toilets, wash basins spruced up

I WOULD like to thank Ms Priscilla Kumari for her feedback, 'Tekka market upgraded but the restrooms stink' (Sept 26).

The Tanjong Pagar Town Council has spruced up the toilets and the wash basins in the food centre at Block 665 Buffalo Road.

We have also asked our conservancy contractor to take measures to maintain satisfactory standards of cleanliness in such areas.

In addition, the toilet operator will not charge an additional 10 cents for toilet paper.
