

## **INTERNET HOT BITES**

*“Some of the fast food toilets in London are beyond description and in some places they lock it up and when you want to use it they will direct you to somewhere else*

*– Krisvin13*

*I wonder if there is a ‘cleanliness person’ from the Government to check toilets...*

*– Mrs Lilian Thomas*

*“The astonishing thing is even... toilets in malls along Orchard Road leave much to be desired. ... they have washrooms .... that greatly differ from the shopping experience they hope to provide.”*
