## Three hours in plane toilet

Mr Mutlu had a “standby” free travel voucher when he got on JetBlue’s flight from New York to San Diego on Feb 16.

An hour later, the pilot allegedly told him to “hang out” in the toilet, as a flight attendant needed his seat. He said he was told he “should be grateful to be on board”.

He is suing the airline for US\$2 million (\$2.7 million).
