

## **FOODFARE 'HONGBAO' FOR CLEANERS**

They may be contract workers without union membership and other benefits enjoyed by permanent staff — but the 160 contract cleaners with NTUC Foodfare received a \$100 Lunar New Year bonus and Foodfare vouchers each yesterday. It is the first time NTUC Foodfare is giving out a bonus to all its contract cleaners.

The social enterprise is working with NTUC's Unit for Contract and Casual Workers (UCCW) to sign up all its contract cleaners as UCCW members. With the membership, they will enjoy life insurance coverage of up to \$8,000, as well as job referrals for permanent jobs.
