

# Toilets at ferry terminal in a bad condition

LAST Saturday, we went to Changi Ferry Terminal to take ferries to Kelong and Pulau Ubin. We were a group of 28 people, and this was our first time there. At the terminal, to our horror, we found the condition of toilets to be very bad. They are not well kept with some toilet seat covers damaged, and there are no toilet rolls.

It really did not look like we were in Singapore, such was the difference.

I urge the authorities to take immediate action to rectify the situation.
