

Honest cleaner

“In any other country, my branded bag and wallet would be gone without a trace.”

MS DENISE ANG: “I commend the honesty of a cleaner who found my handbag in the toilet of the Changi Airport Terminal 1 departure area on Dec 5. I have thanked her and her supervisor, Ms Asimah Ahmad of Chye Thiam Maintenance, and written to the company and to Changi Airport to say thanks for its great service in tracking me down. In any other country, my branded bag and wallet would be gone without a trace.”
