

Toilet locations included

WE REFER to the letter "No sinks at barbecue site" by Mr Raymond Koh Joo Guan (*my paper*, July 17).

The barbecue pit at Maplewood Park in Lorong Ah Soo, next to Block 141, is managed by Paya Lebar Zone 5 Residents' Committee (RC).

Residents using the barbecue pit can use the toilet or washing facilities nearby, on the other side of the park near Block 139, Lorong Ah Soo.

Alternatively, residents can use the toilet at the Senior Citizens' Corner at Block 140, Lorong Ah Soo, under Paya Lebar Zone 6 RC.

We regret that the above in-

formation was not conveyed to Mr Koh and apologise for the inconvenience caused to him and his family.

For the benefit of future users, we have included information on the availability of toilets and washing points in the application forms for the booking of the barbecue pit.

We thank Mr Koh for his valuable feedback and look forward to his continued support of our RC's activities to build a friendly and cohesive community.

Mr Michael Pang
Chairman
Paya Lebar Zone 5
Residents' Committee
