

## **CHOA CHU KANG STATION HAS LOOS**

 I REFER to the letter, "No toilets in Choa Chu Kang station" (*my paper*, June 17).

The restrooms at Choa Chu Kang MRT station are located along the walkway of Choa Chu Kang Xchange, opposite Choa Chu Kang bus interchange.

For commuters' convenience, there are directional and toilet signs around the station premises to help them locate the restrooms.

We welcome commuters who require assistance to approach our station staff.
