

# **Cleaning of MRT loo scheduled for non-peak periods**

---

I REFER to the Forum Online letter by Mr John Yeo, 'Reschedule time for cleaning loos at Serangoon MRT station' (June 16).

Our investigations show that the cleaner who was on duty at Serangoon MRT station was eager to finish the job and therefore started washing the toilet earlier. We have since told the contractor to adhere to the schedule, where cleaning is done outside the morning, lunchtime and evening peak hours.

We thank Mr Yeo for his feedback.
