

# **Tekka Centre, Toa Payoh hawker centre to reopen**

TWO upgraded centres will reopen on Saturday after extensive facelifts, said the National Environment Agency (NEA) yesterday.

They are the Tekka Centre at Block 665 Buffalo Road and Toa Payoh hawker centre and market at Block 93, Lorong 4.

It took about 14 months and \$10 million to upgrade Tekka Centre. The Toa Payoh facility was upgraded in about 10 months at \$3 million.

NEA promises better facilities for both stallholders and patrons, including improved toilet facilities, new roller shutters for all cooked food and lock-up stalls, and a new central wash area.
