

THREE HAWKER CENTRES TO CLOSE FOR UPGRADING

THREE hawker centres set up more than 25 years ago – in Bedok North Street 3, Telok Blangah Rise and Hougang Street 21 – will be closed for upgrading next month.

The centres will be more spacious and better ventilated, and will have new toilet facilities and elder-friendly features like ramps.

The Telok Blangah Rise and Hougang Street 21 centres will re-open by the end of this year, while the Bedok North Street 3 centre is slated to re-open in the first quarter of next year.
