

## EARLY TIPS ON TOILET ETIQUETTE

*Pre-schoolers

hand dryer of a  
loo in Bukit Panjang Plaza  
during a visit there to learn  
about hygiene and good  
etiquette in toilets.*

Eighteen children aged five and six from Gloryland Learning Centre visited toilets at the mall and Teck Whye Primary School in a pilot outreach programme initiated by the Restroom Association of Singapore.

The programme educates kids, as well as teachers and cleaning staff, about the importance of improving and maintaining toilet hygiene standards.
